

Group 3

Part 1:

You are a television buff and you made a wager with your friend for \$10: He says Don Knotts is still alive, and you think he is dead.

1) Using the Skokie Public Library website can you and your friend are going to find out who is right.

Find 2 biographies to find out more about Don Knotts.

Part 2: 2 groups together

1) How did you go about finding your information?

2) Do you think the web site is a useful resource for the general public? and why?

What would make this web site more useful for the general public?

Do you think this site is more or less effective than the internet for finding this sort of information?

5) How would you improve the SPL web site?

How are the various search tools described on the web site? does this make sense to the general public?
